

Field Hockey

Bridgewater Recreation in conjunction with Soccer Centers presents...

Spring & Summer 2016

Total Dutch Field Hockey Skill Classes are based on the Dutch philosophy of coaching, which is, founded on the premise that the player's ball control and tactical development will receive top priority in training. Players will be **grouped according to ability** to make their experience challenging and enjoyable. This unique training course of training is far beyond the static regimented training environment that most players experience today. Technical and tactical instruction will be conducted through the application of small-sided games so that players will experience a training environment that replicates the real game. Under the watchful eye of our Dutch trained coaching staff, players will begin to know **WHAT** to do, **WHEN** to do it and **HOW** to do it at the technical and tactical speed that is required in the modern game. Training exercises will be selected by taking into account the age and level of ability of these groups. Based on staff assessment and recommendation, individuals may be moved to high level groups with parent notification and approval. Each Skill Class is designed to help players achieve their maximum potential through progressive exercises that are age appropriate and individually and developmentally challenging. The basic method of training will focus on small side games, designed to help players improve their personal level of performance in the tactical, technical, and physiological areas of individual development. **Program director of Field Hockey Ingrid Alkhoven** graded C.I.O.S. 1995; Field Hockey license B; KNHB coaching courses; played for regional select team; played for Bloemendaal; played in National Competition (highest pro league); played ten years in the National 1st and 2nd division; Technical Director and head coach of "De Reigers"; assistant coach of professional club "HIC"; technical director youth program at professional club "HGC"; coached at several different clubs in the Netherlands; coached the US Field Hockey Camps; coached at several Division I college camps; coached the US Field Hockey U19 Girls Eastern Holland tour, for six years.

Goalie Camps

4 days

Tuesday – Friday 9:30 – 3:30 PM

OR

Monday – Thursday 9:30 – 3:30 PM

All Ages

The goalkeeper position is both physically and mentally demanding. With this in mind it is our goal is to have the players push themselves to their own limits. This in turn will unleash each player's strength and self-confidence to perform at the next level of play.

The position of goalie requires specialized instruction.

In Total Dutch Goalie Camp, the instruction will emphasize the proper technique in a controlled setting. We teach game situations with repetition of skills that are fundamental for success. (www.totaldutchfh.com)

Camp topics: decision-making, reaction, clearing, slides (in all directions), blocks, self-confidence and of course our famous Slip & Slide!!!
